art historians have been facing the challenge even from before the advent of globalization of writing for an international audience and translating their own work into a foreign language whether forced by exile voluntary migration or simply in order to reach wider audiences migrating histories of art aims to study the biographical and academic impact of these self translations and how the adoption and processing of foreign language texts and their corresponding methodologies have been fundamental

to the disciplinary discourse of art history while often creating distinctly multifaceted personal biographies and establishing an international disciplinary discourse self translation also fosters the creation of instances of linguistic and methodological hegemony
