in a revealing work of historical biography edward lengel has written the definitive account of george washington the soldier based largely on washington s personal papers this engrossing book paints a vivid factual portrait of a man to whom lore and legend so tenaciously cling to lengel washington was the imperfect commander washington possessed no great tactical ingenuity and his acknowledged brilliance in retreat only demonstrates the role luck plays in the fortunes of all great men he was not a professional but a citizen soldier who at a time when warfare demanded that armies maneuver efficiently in precise formation had little practical training handling men in combat yet despite his flaws washington was a remarkable figure a true man of the moment america could never have won freedom without him at once informative and engaging general george washington is a book that reintroduces readers to a figure many think they already know

explore the beauty and history of mount vernon and the inquisitive independent mind of its famous architect and landscape designer winner of the john brinkerhoff jackson book prize of the foundation for landscape architecture on the banks of the potomac river mount vernon stands with its iconic portico boasting breathtaking views and with a landscape to rival the great gardens of europe as a monument to george washington s artistic and creative efforts more than one million people visit mount vernon each year drawn to the stature and beauty of washington s family estate art historian joseph manca systematically examines mount vernon its stylistic moral and historical dimensions offering a complete picture of this national treasure and the man behind its enduring design manca brings to light a washington deeply influenced by his wide travels in colonial america with a broader architectural knowledge than previously suspected and with a philosophy that informed his aesthetic sensibility washington believed that design choices and personal character mesh to form an ethic of virtue and fulfillment and that art is inextricably linked with moral and social concerns manca examines how these ideas shaped the material culture of mount vernon based on careful study of washington s personal diaries and correspondence and on the lively accounts of visitors to his estate this richly illustrated book introduces a george washington unfamiliar to many readers an avid art collector amateur architect and leading landscape designer of his time

this comprehensive collection of george washington s general orders during the american revolution provides an inside look into the military tactics and strategies of the time readers will gain insight into washington s leadership and the challenges he faced during one of the most pivotal times in american history this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
