this book collects interview and conversations which contribute substantially to an understanding and clarification of james baldwin s personality and perspective his interests and achievements the collection also represents a kind of companion piece to the earlier dialogues a rap on race with margaret mead and a dialogue with nikki giovanni introduction

never before available the unexpurgated last interview with james baldwin i was not born to be what someone said i was i was not born to be defined by someone else but by myself and myself only when in the fall of 1987 the poet quincy troupe traveled to the south of france to interview james baldwin baldwin s brother david told him to ask baldwin about everything baldwin was critically ill and david knew that this might be the writer s last chance to speak at length about his life and work the result is one of the most eloquent and revelatory interviews of baldwin s career a conversation that ranges widely over such topics as his childhood in harlem his close friendship with miles davis his relationship with writers like toni morrison and richard wright his years in france and his ever incisive thoughts on the history of race relations and the african american experience also collected here are significant interviews from other moments in baldwin s life including an in depth

interview conducted by Studs Terkel shortly after the publication of *Nobody Knows My Name* these interviews showcase above all Baldwin's fearlessness and integrity as a writer thinker and individual as well as the profound struggles he faced along the way

with contributions from major scholars of African American literature history and cultural studies a historical guide to James Baldwin focuses on the four tumultuous decades that defined the great author's life and art providing a comprehensive examination of Baldwin's varied body of work that includes short stories novels and polemical essays this collection reflects the major events that left an indelible imprint on the iconic writer civil rights black nationalism and the struggle for gay rights in the pre and post Stonewall eras the essays also highlight Baldwin's understudied role as a transatlantic writer his lifelong struggle with faith and his use of music especially the blues as a key to unlock the mysteries of his identity as an exile an artist and a black American in a racially hostile era

adored by many appalling to some baffling still to others few authors defy any single critical narrative to the confounding extent that James Baldwin manages was he a black or queer writer was he a religious or secular writer was he a spokesman for the civil rights movement or a champion of the individual his critics as disparate as his readership endlessly wrestle with paradoxes not just in his work but also in the life of a man who described himself as all those strangers called Jimmy Baldwin and who declared that all theories are suspect viewing Baldwin through a cultural historical lens alongside a more traditional literary critical approach all those strangers examine how his fiction and nonfiction shaped and responded to key political and cultural developments in the United States from the 1940s to the 1980s showing how external forces molded Baldwin's personal political and psychological development Douglas Field breaks through the established critical difficulties caused by Baldwin's geographical ideological and artistic multiplicity by analyzing his life and work against the radically transformative politics of his time the book explores under researched areas in Baldwin's life and work including his relationship to the left his FBI files and the significance of Africa in his writing while also contributing to wider discussions about postwar US culture Field deftly navigates key twentieth century themes the cold war African American literary history conflicts between spirituality and organized religion and transnationalism to bring a number of isolated subjects into dialogue with each other by exploring the paradoxes in Baldwin's development as a writer rather than trying to fix his life and work into a single framework all those strangers contradict the accepted critical paradigm that Baldwin's life and work are too ambiguous to make sense of by studying him as an individual and an artist in flux Field reveals the manifold ways in which Baldwin's work develops and coheres

this study provides an engaging overview and clear analysis of the fiction non fiction and drama of African American writer James Baldwin 1924-1987 whilst giving close attention to Baldwin's popular works such as *Go Tell It on the Mountain* and *Another Country* it also explores the important but less well known themes and texts including the use of the blues masculinity race and sexuality

james baldwin was one of the great writers of the last century in works that have become part of the american canon go tell it on a mountain giovanni s room another country the fire next time and the evidence of things not seen he explored issues of race and racism in america class distinction and sexual difference a gay african american writer who was born in harlem he found the freedom to express himself living in exile in paris when he returned to america to cover the civil rights movement he became an activist and controversial spokesman for the movement writing books that became bestsellers and made him a celebrity landing him on the cover of time in this biography which library journal called indispensable david leeming creates an intimate portrait of a complex troubled driven and brilliant man he plumbs every aspect of baldwin s life his relationships with the unknown and the famous including painter beauford delaney richard wright lorraine hansberry marlon brando harry belafonte lena horne and childhood friend richard avedon his expatriate years in france and turkey his gift for compassion and love the public pressures that overwhelmed his quest for happiness and his passionate battle for black identity racial justice and to end the racial nightmare and achieve our country skyhorse publishing along with our arcade good books sports publishing and yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs our list includes biographies on well known historical figures like benjamin franklin nelson mandela and alexander graham bell as well as villains from history such as heinrich himmler john wayne gacy and o j simpson we have also published survivor stories of world war ii memoirs about overcoming adversity first hand tales of adventure and much more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

he has been called passionate and violent cryptic and probing hostile and eloquent his works have been called brilliant and unbearable poetic and documentary classic and controversial he is a major voice of the civil rights movement his words which have compelled agitated and hypnotized a nation are now heard around the world that is the public image of james baldwin but there is also an aspect of baldwin that grew out of self deprecation and a search for personal identity a timorous side that his mother worried over in the presence of a step father who would not acknowledge him and that his teachers watched carefully because there was precocity beneath it trying to force its way out there was a child who thought he was ugly and useless who was overly self conscious about his appearance and couldn t find the love he needed to make his own existence bearable there is a man who claims i ve been scared to death since i was born and i ll be scared till i die but if you re scared to death walk toward it and there is an author whose tremendous impact on american literature and american life has until now not been fully measured fern marja eckman has based this vivid book on hours and hours of taped interviews with baldwin and with the people who are significant in his story she presents a detailed account of baldwin s harlem childhood a portrait of the exile who returned to his country to shock it into reappraisal of its racial and sexual attitudes and an inside view of his part in robert kennedy s civil rights meeting in 1963 speaking with james baldwin and probing the complex mixture of extreme hate and intense love that characterize him she presents a profile told largely in his own words one which is essentially baldwin on baldwin

a wide ranging interview with the author on his return to the united states from france in 1983 to teach at hampshire college in amherst massachusetts

this new collection of essays presents a critical reappraisal of james baldwin s work looking beyond the commercial and critical success of some of baldwin s early writings such as go tell it on the mountain and notes of a native son focusing on baldwin s critically undervalued early works and the virtually neglected later ones the contributors illuminate little known aspects of this daring author s work and highlight his accomplishments as an experimental writer attentive to his innovations in style and form things not seen reveals an author who continually challenged cultural norms and tackled matters of social justice sexuality and racial identity as volume editor d quentin miller notes what has been lost is a complete portrait of baldwin s tremendously rich intellectual journey that illustrates the direction of african american thought and culture in the late twentieth century this is an important book for anyone interested in baldwin s work it will engage readers interested in literature and african american studies author note d quentin miller is assistant professor of english at gustavus adolphus college saint peter mn

a collection of james baldwin s writings that speaks urgently to our current era of racial injustice with an introduction by prominent baldwin scholar rich blint in his unforgettable incandescent essays and poetry james baldwin diagnosed the racial injustices of the twentieth century and illuminated the struggles and triumphs of african americans now in our current age of persistent racial injustice and the renewed spirit of activism represented by the black lives matter movement baldwin s insights are more urgent than ever baldwin for our times features incisive essay selections from notes of a native son and searing poetry from jimmy s blues writing to turn to for wisdom and strength as we seek to understand and confront the injustices of our times

discusses the life of james baldwin his activism in civil rights and the importance of his writings

james baldwin s later fiction examines the decline of baldwin s reputation after the middle 1960s his tepid reception in mainstream and academic venues and the ways in which critics have often mis represented and undervalued his work scott develops readings of tell me how long the train s been gone if beale street could talk and just above my head that explore the interconnected themes in baldwin s work the role of the family in sustaining the arts the price of success in american society and the struggle of black artists to change the ways that race sex and masculinity are represented in american culture scott argues that baldwin s later writing crosses the cultural divide between the 1950s and 1960s in response to the civil rights and black power movements baldwin s earlier works his political activism and sexual politics and traditions of african american autobiography and fiction all play prominent roles in scott s analysis
