within two years of the success of his first play die räuber on the german stage in 1781 schiller wrote a drama based on a rebellion in sixteenth century italy its

title the conspiracy of fiesco at genoa a republican tragedy at the head of the conspiracy stood gian luigi de fieschi 1524 1547 schiller s count fiesco a clever courageous and charismatic figure an epicurean and unhesitant egoist politically ambitious but unsure of his aims and principles he is one of schiller s mysterious protean characters who secures both our admiration and disgust with fiesco as tragic hero schiller examines the complex entanglement of morality and politics in his own times that was to preoccupy him throughout his career the play was a moderate success when performed in mannheim in 1784 it was more popular in berlin where during schiller s lifetime it was performed many times in a version by carl plümicke which however radically altered the play s meaning there have been some noteworthy productions on the german stage and television even if it has remained somewhat in the shadow of schiller other works in the english speaking world it is all but unknown and very seldom performed this translation aims to remedy that oversight

this book argues that political islam represented by its moderate and militant forms has failed to govern effectively or successfully due to its inability to reconcile its discursive understanding of islam centered on literal justice with the dominant neo liberal value of freedom consequently islamists polities have largely been abject often tragic failures in providing a viable collective life and sound governance this argument is developed theoretically and supported through a set of case studies represented by the muslim brotherhood in egypt under president muhammad morsi s tenure hassan turabi s national islamic front in sudan and the islamic state in iraq and syria isis it is ideal for audiences interested in regional politics islamic studies and middle eastern studies

this book explores origins manifestations and functions of pan slavism in contemporary central and eastern europe arguing that despite the extinction of pan slavism as an articulated romantic era geopolitical ideology a number of related discourses metaphors and emotions have spilled over into the mainstream debates and popular imagination using the term slavophilia to capture the range of representations the volume analyses how geopolitical discourses shape the identity and policies of a community providing a comparative analysis that covers a range of slavic countries in order to understand how pan slavism works and resonates across geographic and political contexts

înțelegem mai bine ce s-a întâmplat în ultima parte a lui 2024 în România urnelor electorale și dezvăluie în același timp umorul și talentul literar al observatorului Radu Paraschivescu alegerile prezidențiale din noiembrie 2024 au fost fără îndoială unul dintre cele mai stranii și imprevizibile momente electorale din istoria recentă a României. În paginile acestei cărți încerc să înțeleg și să explic cum s-a ajuns ca personaje absolut marginale și bizare să devină actori principali ai scenei politice prin intermediul votului a peste două milioane de cetățeni. Acest volum surprinde resorturile ascunse ale unei competiții aparent lunatice în care principaliii candidați s-au transformat în personaje memorabile ale unei comedii absurde pornind de la rolul rețelelor sociale și ajungând până la influența ascunsă a unor diverse entități. Volumul este o invitație la reflexie asupra modului în care se face politică în România de azi pe fundalul unei profunde crize sociale și de legitimitate a partidelor și liderilor politici mainstream. În același timp, cartea oferă o perspectivă sociologică asupra evenimentelor din noiembrie 2024, schițând o serie de întrebări clare și posibile răspunsuri dar lăsă cititorului libertatea de a judeca singur ce s-a întâmplat cu adevărat într-un moment în care realitatea a depășit orice ficțiune.
