jack b yeats son of a painter and brother of the poet is undoubtedly the outstanding irish painter of this century his work is collected by all the major galleries of modern art and is currently attracting very high prices in 1970 hilary pyle published an excellent biography of yeats and since then she has been working on the complete catalogue of his works a lavish oils catalogue came out in 1992 yeats is unique among irish artists in that he spent the first twelve years of his career working solely in watercolour bringing the technique to a perfection comparable with turner and cezanne prior to choosing oil as his medium this watercolour

catalogue includes over 700 examples of his work dating from 1897 to 1910 with further examples from earlier and later periods for each entry there is technical data comprising title of painting measurements signature if signed dates and details of its being exhibited etc with an explanatory paragraph where needed there are numerous thumb nail reproductions for identification and sixteen pages of colour illustrations

in a century that was dominated by science and technology the wide ranging artwork of michael ayrton 1921 75 is truly a tribute to the enduring power of greek myth theorists often discuss the link between myth and creativity but rarely does one see this connection manifested so provocatively over the course of an artist s career fittingly this british sculptor painter author filmmaker and maze designer was inspired by the story of the archetypal craftsman daedalus father of icarus and maker of the labyrinth that imprisoned the minotaur and produced over 800 works that in turn enhance the myth s significance highlighting the interaction between myth and artist word and image jacob nyenhuus here presents a catalogue of these works one that will enlighten ayrton s british following while introducing him to an american audience a nonconformist who challenged picasso s reign over the art world ayrton found in daedalus a richly complex story of captivity and escape ingenuity and creativity flight and fall success and failure ayrton s own journey into the labyrinth set him on a torturous path through life and into the psyche he came to identify himself not only with the craftsman but also with the minotaur representative of the bestial nature hidden within all of us he ultimately created a new visual syntax that expanded the meaning of the labyrinth in disturbing ways for the twentieth century the intensity of ayrton s journey is conveyed in this beautifully produced volume comprising biography critical analysis historical context and an annotated catalogue of the works many appearing in color
