a brief account of the science of mind by the man who formulated it ernest holmes has condensed the wisdom of his classic science of mind into this warm yet penetrating statement the science of mind is the study of life and the nature of the laws of thought in a spiritual universe this philosophy believes there is one infinite mind that includes all there is whether it be human intelligence or the invisible presence of god and is built upon the premise that we are living in a spiritual universe whose sole government is one of harmony where the use of right ideas is the enforcement of its law in 1927 a teacher writer and lecturer by the name of ernest holmes defined and established the science of mind philosophy by uncovering a clear and simple method he discovered while researching the wisdom of the ages from many disciplines this newfound practical and spiritual approach to living an abundant life evolved into what is now the science of mind textbook which has been the

cornerstone to religious science churches and centers for spiritual living around the world over the course of his life the textbook became a beacon of light to millions of readers and followers but to others the 600 page tom presented itself as an obstacle to beginners simply because of its intimidating size in what turned out to be one of his last books before his death in 1960 holmes published this introduction after its initial release as an article in the science of mind magazine to help individuals easily understand the concepts before taking the first steps of their new spiritual journey

ernest shurtleff holmes january 21 1887 april 7 1960 was an american new thought writer teacher and leader he was the founder of a spiritual movement known as religious science part of the greater new thought movement whose spiritual philosophy is known as the science of mind he was the author of the science of mind and numerous other metaphysical books and the founder of science of mind magazine in continuous publication since 1927 his books remain in print and the principles he taught as science of mind have inspired and influenced many generations of metaphysical students and teachers holmes had previously studied another new thought teaching divine science and was an ordained divine science minister his influence beyond new thought can be seen in the self help movement contents 1 creative mind 1922 2 the science of mind 1926

in 2016 we asked readers of guide for spiritual living science of mind magazine to imagine what a conversation with ernest holmes might be like for yourself someone you know or someone you admire our hope was to encourage our readers to take a deeper dive into the work of dr holmes dr holmes was a visionary in the new thought movement founder of religious science and author of the science of mind text he also started science of mind magazine which has been in continuous publication since 1927 after we asked dozens of our readers answered and the result is the book you are holding we are grateful for the authenticity and openness of our contributors in sharing stories whether based in fiction or reality readers may learn a tremendous amount about dr holmes and so many other sages and wisdom keepers both familiar and as yet unknown rev dr david s goldberg guide for spiritual living science of mind magazine editor and publisher imagines a conversation with ernest that gives additional context to this work view the video at [scienceofmind.com/conversations-with-ernest](http://scienceofmind.com/conversations-with-ernest) to learn more about the magazine or the teachings of dr holmes visit [scienceofmind.com](http://scienceofmind.com)

everything you need to know about how to use one of today s most powerful philosophies we go in search of that which we already possess but are not using so says ernest holmes author of the science of mind and founder of the philosophy of religious science god is not far away but is within ourselves other people and everywhere present why then do we fall prey to unwanted conditions illness financial lack relationship difficulties loneliness and problems of every kind written as a manual for the practical applications of the principles set forth in the science of mind this book takes the original philosophy

of change your thinking change your life and explains a clear and definite scientific method of prayer that can help you overcome life's obstacles

here in one volume is a selection of the core and essential writings by internationally renowned scholar mystic and author Ernest Holmes providing readers with a library of the most important ideas in the religious psychology that Holmes defined. The Essential Ernest Holmes comprises selections from classic works such as *This Thing Called You*, *The Science of Mind* textbook and *Creative Mind and Success*, but also included are brilliant passages from some of Holmes's lesser known works such as *The Voice Celestial* as well as a generous sampling from articles and lectures. The book features remembrances of the beloved sage and teacher from the works of his contemporaries, a chronology of Holmes's life and work, and an accessible introduction by editor Jesse Jennings that frames Holmes's body of ideas for all readers.

This is Holmes's own commentary on his masterpiece *The Science of Mind*, as such it may be his most important book besides the textbook. These short pieces abound in counsel and guidance in metaphysics, spirituality, and healing. Here too is the history of new thought and religious science, insights into the mystics' pointers on treatment and analysis of our fears and insecurities, founder of the worldwide religious science movement, formulator of the science of mind philosophy, and author of metaphysical bestsellers. Dr. Holmes continually sought to simplify his teaching and get people to use it. In these pages he speaks directly to you in a one-on-one tutorial.

A one-of-a-kind collection of rare writings from one of the world's foremost spiritual leaders and thinkers for the first time. The three hard-to-get volumes known as the Ernest Holmes Papers will be published in one volume: transcripts of talks that Ernest Holmes gave over his career. The Ernest Holmes Papers contains Holmes's wisdom on prayer, life, prosperity, and God, used by thousands of spiritual students around the world. In previous editions, this first ever omnibus edition will contain a new introduction from Dr. Kenn Gordon, spiritual leader of the Centers for Spiritual Living. The three volumes that are being included in this one volume are *The Philosophy of Ernest Holmes*, *Anatomy of Healing*, and *Prayer and Ideas of Power*.

This newly repackaged edition of one of Tarcher's bestselling Holmes backlist titles contains wisdom designed to help each reader experience the science of mind philosophy day by day.

The inspiration of Ernest Holmes has reached hundreds of thousands of readers through his classic works, many of which are just now becoming available in paperback. Originally published in the first half of the twentieth century, these meditative, concise volumes have never previously appeared in paperback. Whether a newcomer to the philosophy Holmes founded or
