this book describes the challenges for the natural environments and local communities in the future among the high mountains of africa only kilimanjaro mount kenya and the rwenzori mountains are still capped with glaciers the retreating rate of these glaciers has accelerated and they are expected to disappear in the near future in the area around mount kenya the precipitation is generally low such that rainfall cannot stably supply water for farmlands and daily life it has been revealed that the glacial meltwater has produced springs at the foot of the mountain it is therefore important to characterize the condition of water sources near mount kenya for use by local people this book discusses the relationships between the actual state of the climate and glacier shrinkage around

mount kenya the surrounding vegetation soil and water environments and the lives of the foothill region inhabitants confronting the glacier shrinkage this book is valuable in the contemporary age when the assurance of a sustainable relationship between nature and mankind is critical

cameron burns presents a detailed guide to thirty of the major routes for climbers in the east african mountains of kilimanjaro and mount kenya

an account of the author's ascent of mount kenya in 1899 mackinder led a caravan of 176 persons to the summit of the higher of the two peaks despite an agreement with william heinemann the account has not been published until now this volume includes additional notes by an english geographer

a rediscovered mountaineering classic and the extraordinary true story of a daring escape up mount kenya by three prisoners of war when the clouds covering mount kenya part one morning to reveal its towering peaks for the first time prisoner of war felice benuzzi is transfixed the tedium of camp life is broken by the beginnings of a sudden idea an outrageous dangerous brilliant idea there are not many people who would break out of a p o w camp trek for days across perilous terrain before climbing the north face of mount kenya with improvised equipment meagre rations and with a picture of the mountain on a tin of beef among their more accurate guides there are probably fewer still who would break back in to the camp on their return but this is the remarkable story of three such men no picnic on mount kenya is a powerful testament to the human spirit of revolt and adventure in even the darkest of places the history of mountaineering can hardly present a parallel to this mad but thrilling escapade saturday review a most extraordinary prisoner of war and escape story new yorker a mad venture and a gallant tribute to man's deep yearning for freedom kirkus reviews the book crackles with the same dry humour as its title it contains the prison yard bartering and candlelight stitching that mark a classic jailbreak yarn the encounters with wild beasts in mount kenya's forest belt are as gripping and the descriptions of sparkling glaciers as awe inspiring as any passage in the great exploration diaries of the early 20th century the economist

facing mount kenya first published in 1938 is a monograph on the life and customs of the gikuyu people of central kenya prior to their contact with europeans it is unique in anthropological literature for it gives an account of the social institutions and religious rites of an african people permeated by the emotions that give to customs and observances their meaning it is characterised by both insight and a tinge of romanticism the author proud of his african blood and ways of thought takes the reader through a thorough and clear picture of gikuyu life and customs painting an almost utopian picture of their social norms and the sophisticated codes by which all aspects of the society were governed this book is one of a kind capturing and documenting traditions fast

disappearing it is therefore a must read for all who want to learn about african culture

for trekkers or climbers hoping to reach the top of kilimanjaro one of the coveted seven summits or challenge themselves on the remote spires of mount kenya or explore east africa s lesser visited areas such as mount meru and the rwenzoris of uganda this completely revised guide is ideal it contains more than 50 routes including summit walk ups and serious technical climbs author cameron burns includes everything you need to know to plan a safe and successful visit to the region including up to date trip planning information and prices tips on transportation and places to stay as well as the scoop on hiring outfitters and obtaining permits and visas

harry started his journey to climb africa s three highest mountains on platberg on his way to the summit of kilimanjaro he also climbed in tenerife morocco ethiopia uganda and kenya but long before that as a child he stood on the summit of mont aux sources and thought he was on top of the world on his travels he argued with park authorities who refused to let him climb teide in tenerife because it had snow on it got scrubbed in a hammam by a matronly figure who washed everywhere yes even there drank tea with a marijuana farmer in the rif mountains drove in the driver s cabin of an african train through kenyan plains crossed the tanzanian border on the back of a boda boda motorcycle taxi and diced with death on buses that sidestepped oncoming traffic like professional bullfighters on kenyan roads on jbel toubkal his fingers got so cold they stopped working in the simien mountains he became a language teacher and finally on kilimanjaro where a simple bite on an energy bar left him breathless he wondered why he took so long to get around to climbing this spell binding mountain harry shares some of the problems he s had with trekking organisers like running out of food on the rwenzori mountains handing over tips for porters that were apparently part of the trek but were never seen having to put up with inefficient equipment on kilimanjaro he details each day s trekking destination distance and height gained he briefly tells the history of the first ascents and naming of the peaks and shares observations made along the way some of which will make you smile and others which will touch you emotionally it s part travel story part guidebook with information for both the prospective trekker and the armchair traveller

vols 1 108 include proceedings of the society separately paged beginning with v 30

the story of one man s experience of overcoming the hardship of climbing with very little training or experience using his zen training on top of africa offers much practical information for would be mountain climbers and also offers us all inspired reading as we climb towards the summit of our own mountains real or imaginary

includes the proceedings of the royal geographical society formerly published separately
