offers profiles on many of firms in film radio television cable media and publishing of various types including books magazines and newspapers this book contains many contacts for business and industry leaders industry associations internet sites and other resources it provides profiles of nearly 400 of top entertainment and media firms

with the ever increasing amount of media children are consuming it has become important for parents to learn how to help them navigate this consumption productively all too often the only approach to screen time by parents is a question of limiting how much and what kind instead if parents and educators can adopt a more nuanced relationship to media and education adults and children can come together in order to engage with and deconstruct the messages that are embedded in popular culture this enables children to become more informed citizens this collection seeks to do just that by providing a series of essays on strategies to engage children with varying topics and programming to ensure that media consumption is an active process that promotes social and political awareness instead of apathetic entertainment

in 1940 hans augusto rey and margret rey built two bikes packed what they could and fled wartime paris among the possessions they escaped with was a manuscript that would later become one of the most celebrated books in children s literature curious george since his debut in 1941 the mischievous icon has only grown in popularity after being captured in africa by the man in the yellow hat and taken to live in the big city s zoo curious george became a symbol of curiosity adventure and exploration in curious about george curious george cultural icons colonialism and us exceptionalism author rae lynn schwartz dupre argues that the beloved character also performs within a narrative of racism colonialism and heroism using theories of colonial and rhetorical studies to explain why cultural icons like curious george are able to avoid criticism schwartz dupre investigates the ways these characters operate as capacious figures embodying and circulating the narratives that construct them and effectively argues that discourses about george provide a rich training ground for children to learn us citizenship and become innocent supporters of colonial american exceptionalism by drawing on postcolonial theory children s criticisms science and technology studies and nostalgia schwartz dupre s critical reading explains the dismissal of the monkey s 1941 abduction from africa and enslavement in the us described in the first book by illuminating two powerful roles he currently holds essential stem ambassador at a time when science and technology is central to global competitiveness and as a world war ii refugee who offers a deficient version of the holocaust while performing model us immigrant curious george s twin heroic roles highlight racist science and an americanized holocaust narrative by situating george as a representation of enslaved africans and holocaust refugees curious about george illuminates the danger of contemporary zero sum identity politics the colonization of marginalized identities and racist knowledge production importantly it demonstrates the ways in which popular culture can be harnessed both to promote colonial benevolence and to present possibilities for resistance

in the labors of modernism mary wilson analyzes the unrecognized role of domestic servants in the experimental forms and narratives of modernist fiction by virginia woolf gertrude stein nella larsen and jean rhys examining issues of class gender and race in a transatlantic modernist context wilson brings attention to the place where servants enter literature the threshold in tracking their movements across the architectural borders separating indoors and outdoors and across the physical doorways between rooms wilson illuminates the ways in which the servants who open doors symbolize larger social limits and exclusions as well as states of consciousness the relationship between female servants and their female employers is of particular importance in the work of female authors for whom the home and the novel are especially interconnected sites of authorization and domestication modernist fiction wilson shows uses domestic service to tame and interrogate not only issues of class but also the overlapping distinctions of racial and ethnic identities as woolf stein larsen and rhys use the novel to interrogate the limitations of gendered domestic ideologies they find they must deploy these same ideologies to manage the servant characters whose labor maintains the domestic spaces they find limiting thus the position of servants in these texts forces the reader to recognize servants not just as characters but as conditions for the production of literature and of the homes in which literature is created

after the modernist literary experiments of her earlier work virginia woolf became increasingly concerned with overt social and political commentary in her later writings which are preoccupied with dissecting the links between patriarchy patriotism imperialism and war this book unravels the complex textual histories of the years 1937 three guineas 1938 and between the acts 1941 to expose the genesis and evolution of virginia woolf s late cultural criticism fusing a feminist historicist approach with the practices and principles of genetic criticism this innovative study scrutinizes a range of holograph typescript and proof documents within their historical context to uncover the

writing and thinking processes that produced Woolf's cultural analysis during 1931-1941 by demonstrating that Woolf's late cultural criticism developed through her literary experimentalism as well as in response to contemporary social, political, and economic upheavals. This book offers a fresh perspective on her emergence as a cultural commentator in her final decade and paves the way for further genetic enquiries in the field.

Fimi explores the evolution of Tolkien's mythology throughout his lifetime by examining how it changed as a result of his life story and contemporary cultural and intellectual history. This new approach and scope brings to light neglected aspects of Tolkien's imaginative vision and contextualizes his fiction.

The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism is the first wide-ranging anthology of theatre theory and dramatic criticism by women writers reproducing key primary documents contextualized by short essays. The collection situates women's writing within and also reframes the field's male-defined and male-dominated traditions. Its collection of documents demonstrates women's consistent and wide-ranging engagement with writing about theatre and performance and offers a more expansive understanding of the forms and locations of such theoretical and critical writing dealing with materials that often lie outside established production and publication venues. This alternative tradition of theatre writing that emerges allows contemporary readers to form new ways of conceptualizing the field, bringing to the fore a long neglected vibrant, intelligent, deeply informed, and expanded canon that generates a new era of scholarship, learning, and artistry. The Routledge Anthology of Women's Theatrical Theory and Dramatic Criticism is an important intervention into the fields of theatre and performance studies, literary studies, and cultural history while adding new dimensions to feminist, gender, and sexuality studies.

A fascinating story essential to an understanding of America's use of propaganda. Warren F. Kimball, author of the

juggler franklin roosevelt as wartime statesman lively and revealing there is much that is new and important in this book all students of the war as well as of intelligence will benefit from it robin w winks author of cloak and gown a must acquisition for anyone with any interest in espionage intelligence and propaganda dennis showalter author of tannenburg clash of empires

grace can do a lot of things but can she save the planet or at the very least can she help her best friend mimi get her favorite stuffed animal back lots of exciting things are happening to grace and her friends most exciting of all mimi s older cousin gwen is coming to stay with mimi and miss lois s class is going green for their green project grace and mimi aim to inspire their friends and classmates to conserve plastic bottles but a far more important issue is that gwen has taken a strong liking to mimi s favorite stuffed toy willoughby just grace uses her empathy superpower to figure out ways to make her best friend feel better and she makes a difference for the environment too yard sales toy owls decorated plastic water bottles flaming onion rings and a very entrepreneurial sammy stringer make this another winning entry in the just grace series

with dramatic full color photos throughout award winning author donna jackson brings to life the inner workings of an animal emergency room profiling the important work er veterinarians do behind closed doors animals survive traumas with the help of high tech x rays ventilators endoscopes and more importantly the expert care of veterinarians and veterinary nurses who love animals science and a daily dose of adrenaline it takes loads of courage and compassion to be an er vet

a poignant humorous collection by acclaimed poet gary soto the fleeting emotions of teenagers as changeable as the weather ring true in these emotionally resonant poems told from the point of view of both boys and girls

narrators of various ethnicities fall in love for the first time pine over crushes and brood over broken hearts tender lighthearted and surprising this collection will capture teens tweens and anyone who remembers what it s like to be a young person in love
