with a history now stretching back four decades pacific festivals of aotearoa assert a multicultural identity of new zealand and situate the country squarely within a sea of islands in this volume jared mackley crump gives a provocative look at the changing demographics and cultural landscape of a place frequently viewed through a bicultural lens pākehā and māori taking the post world war ii migrations of pacific peoples to new zealand as its starting point the story begins in 1972 with the inaugural polynesian festival an event that was primarily designed as a māori festival now known as te matatini the largest māori performing arts event in the world two major moments of festivalization are considered the birth of polyfest in 1976 and the inaugural pasifika festival of 1993 both began in auckland the home of the largest pacific communities in new zealand and both have spawned a series of events that follow the models they successfully established while polyfests focus primarily on the transmission of performance traditions from culture bearers to the young largely new zealand born generations pasifika festivals are highly public community events in which diverse displays of material culture are offered up for consumption by both cultural tourists and pacific communities alike both models have experienced a significant period of growth since 1993 and

here the author presents a thought provoking and wide ranging analysis to explain the phenomenon that has been called a pacific renaissance written from an ethnomusicological perspective the pacific festivals of aotearoa new zealand incorporates lively first person observations as well as interviews with festival organizers performers and other important historical figures the second half of the book delves into the festival space uncovering new meanings about the function and role of music performance and public festivity the author skillfully challenges accounts that label festivals as inauthentic recreations of culture for tourist audiences and gives both observers and participants an uplifting new approach to understand these events as meaningful and symbolic extensions of the ways diasporic pacific communities operate in new zealand

enter and explore the fascinating world of fungi in this practical and up to date guide forager and fungus enthusiast liv sisson shares her top tips and takes the reader on a journey to discover the unique and diverse fungi aotearoa has to offer discover how to identify the best edible varieties and how to cook with them how these incredible organisms have shaped the world as we know it and the role they are playing in modern medical and environmental research featuring stunning full colour photographs fun facts and current descriptions of over 130 species including our brilliant blue national fungus werewere kokako fungi of aotearoa is packed full of information and advice that will delight armchair enthusiasts backcountry explorers and budding experts alike

part two gives a first hand account of the building and sailing of the voyaging canoe hawaiki nui which sailed from tahiti to aotearoa in late 1985 introd

beginning with an overview of european representations of the pacific michelle keown presents a broad ranging

introduction to the postcolonial literatures of the pacific from the late 1960s through to the new millennium focusing mainly on writing in english but also exploring the growing corpus of francophone and hispanophone pacific writing

the moral values and interpretive systems of religions are crucially involved in how people imagine the challenges of sustainability and how societies mobilize to enhance ecosystem resilience and human well being the routledge handbook of religion and ecology provides the most comprehensive and authoritative overview of the field it encourages both appreciative and critical angles regarding religious traditions communities attitude and practices it presents contrasting ways of thinking about religion and about ecology and about ways of connecting the two terms written by a team of leading international experts the handbook discusses dynamics of change within religious traditions as well as their roles in responding to global challenges such as climate change water conservation food and population it explores the interpretations of indigenous traditions regarding modern environmental problems drawing on such concepts as lifeway and indigenous knowledge this volume uniquely intersects the field of religion and ecology with new directions within the humanities and the sciences this interdisciplinary volume is an essential reference for scholars and students across the social sciences and humanities and for all those looking to understand the significance of religion in environmental studies and policy

this book brings the key ideas and concepts of social realism to bear on current debates in the fields of knowledge and curriculum the key concern of this collection is to highlight matters related to knowledge and the influence these dimensions have on the formation of curricula pedagogy identity and equity in educational contexts presenting new perspectives on the place of various types and forms of knowledge in contemporary education this book explores

two central questions what type of knowledge is most important to include in a curriculum and what is meant by disciplinary knowledge the chapters use empirical examples to illustrate how the issues play out on a global stage interweaving the social justice concern of equitable access to disciplinary knowledge throughout in particular the authors address the emerging theorisation of issues related to the decolonisation of curricula the recontextualisation of non traditional knowledge into the curriculum and teacher education offering new philosophical and theoretical perspectives this book will be of interest to researchers scholars and students examining the fields of knowledge and curriculum and the sociology of education more broadly

since colonisation new zealand has been mythologised as a land of milk and honey a promised land of natural abundance and endless opportunity in the twenty first century the country has become literally a land of milk and honey as agricultural exports from such commodities dominate the national economy but does new zealand live up to its promise in this introductory textbook for first year sociology students some of this country s leading social scientists help us to make sense of contemporary new zealand in 21 chapters the authors examine new zealand s political identity and constitution our maori pakeha pacific and asian peoples problems of class poverty and inequality gender and sexualities and contemporary debates around ageing incarceration and the environment the authors find a complex society where thirty years of neoliberal economics and globalising politics have exacerbated inequalities that are differentially experienced by class ethnicity gender sexuality and age these social divides and problems are at the heart of this text for sociology students and for a wider audience of new zealanders a land of milk and honey is a lively introduction to where we have come from where we are now and where new zealand society might be headed

now in this book chris winitana re tells fourteen of the favourite stories of the maori people accompanied by over one hundred colour photographs by andy reisinger that show the paradise that was and is new zealand the book includes many of the best known stories the legends of maui kupe the arawa canoe rona and the moon and some less well known such as the legend of the walking mountains the fires of the earth the flight of the greenstone people and the story of wakatipu the legends cover tribal areas from all around new zealand reflecting the breadth of the photography from isolated northland beaches to lofty alpine heights book jacket

a comprehensive up to date analysis of the role and influence of political leadership in new zealand political leadership in new zealand discusses this topical issue from a variety of valuable perspectives more than simple studies of various leaders chapters cover leadership and national identity leadership in response to globalisation leadership in new zealand foreign policy the populist tradition of leadership how to adapt traditional adversarial leadership styles to mmp maori conceptions of political chieftainship emerging leadership of new immigrant groups and the role of the media in reflecting and controlling the public views of leaders portraits of the minor party leaders such as winston peters jim anderton and peter dunne are included as is a fascinating comparison between the leadership styles of helen clark and don brash leadership is now a subject of growing interest especially since the advent of mmp and this innovative new book interrogates the theory the practice and the personalities of political leaders in producing emotive gut responses and intense loyalty from their followers contributors margie comrie tania domett seishi gomibuchi barry gustafson john henderson manying ip elizabeth mcleay raymond miller michael mintrom matthew palmer jacqui true ranginui walker and luke williams foreword by high profile leadership expert lester levy

weaving earth and sky myths legends of aotearoa retells the classic maori myths and legends which range from creation to maui to kupe s arrival in aotearoa robert sullivan has rewritten them in a very modern direct accessible and powerful way gavin bishop s strong graphic technique and stunning colours help the reader visualise the world of gods demi gods and mythic adventure together they have turned stories that many readers know well into dramatic pieces that we see and hear afresh

includes an unpagged appendix royal warrant holders and 19 a war honours supplement

this book presents essays that reflect the dialogue and the spirit of conversation of the 1990 international federation for the teaching of english ifte conference in auckland new zealand the book begins with some of the impressions of the ifte conference held by the classroom teachers school administrators writers and scholars who attended it language diversity in the classroom is the focus of several essays in the second part of the book each essay in the second part of the book is followed by a response the pairing of essays continues in the third section of the book where issues such as who controls curricula and who sets the standards for curricula are addressed the third part of the book also discusses national curriculum movements in new zealand and the united kingdom english as a second language pedagogies and international underpinnings of the whole language movement the initial essay in each set is a response to a paper presented at the conference the second is the original presenter s reply to the author of the first essay the fourth part of the book presents essays about the history and future of ifte conferences looking forward especially to the 1995 conference to be held in new york city rs

many of the reports include papers
