in order to protect her family a destitute woman takes a position in the home of a notorious rogue in this regency era romance stern and unyielding major damon collingham was prepared to pay a king s ransom for someone who could stay the course as governess to his two motherless children in her straitened circumstances miss juliana wrenn needed this post and could not allow herself to be intimidated by him or his colorful reputation a devil on the battlefield and in the bedroom juliana knew what was said about her employer she would not fall under his spell but then those harsh features could sometimes soften to something so much more attractive

this book is designed to introduce the non specialist music lover to britten s opera the turn of the screw the opening chapters by vivien jones and patricia howard deal with the literary source of the opera oames s novella the structure of the libretto and the technique by which a short story was transformed into an opera the central chapter on the musical style and structures of the opera includes an account of the composition process deduced from early sketches of the work by john evans an analysis of the unique form of the opera with a more detailed examination of the last scene by patricia howard and an account of the significance and effect of the orchestration by christopher palmer finally patricia howard traces the stage history of the work from its initial reception in venice in 1954 through some seminal reinterpretations in the 1960s to its present established position in the repertoire the book is generously illustrated and there is also a bibliography and discography

with a chatty voice and sarcastic style the faker s guide to the classics condenses the great but long and often complicated novels plays and poems into bite size nuggets of info that are easy to digest cutting out the bloated analysis and nauseating debate of other reading guides from anna karenina and beowulf to ulysses and wuthering heights each of the 100 books profiled here is a classic that

everyone talks about but only hardcore lit majors have actually read now with the fakes guide to the classics you too can reminisce about books you were supposed to read for class but didn't fudge literary discussions at fancy parties impress a date with your incredible knowledge and wit and cut through the ivory tower of world letters to read like a ninja each entry contains a quick and dirty narrative description of plot points and overall story including significant twists and surprise endings told with humorous brevity famous quotes from each work accompanied by smartass responses the original cover or an illustration conveying the work's tone or lack thereof brief author bios including misdeeds and scandals add illuminating and occasionally disgusting background to each work all of the text appears in simple contemporary english so it's easy to understand and short enough to tweet with this must have guide there's no more need to worry whether a reference to Miss Havisham is an insult or to wonder what happened to Moby Dick not reading the classics has never been easier

examines the history of the governess in nineteenth century England using the papers of governesses including Anna Leonowens and the Brontë sisters

the propensity to seek defects in natural beauty is not proof of taste but evidence of its absence who can possibly know his self while living in the mephitic atmosphere of the material world Sinnett weaves seamlessly lucid metaphysical insights in a prosaic story of everyday life the real and the illusive aspects of our being are always next to each other like twin parallel lines but they never meet unless the animal tendencies created by selfishness are conquered and the devil of the dual annihilated two spirits were finally united in the limited nirvanic state of devachan from whence no traveller returns

43042130

an investigation of the victorian governess novel as a specific genre based on a comprehensive set of nineteenth century novels governess manuals articles and biographical material it shows how the victorian governess novel made up a vital part of the governess debate as well as of the more general debate on female education

harper s informs a diverse body of readers of cultural business political literary and scientific affairs
