since its introduction the skyline gt r has been the undeniable king of the tuner car world this book explains why along with an overview of skylines since their debut in 1957 author alex gorodji gives in

depth reviews of the last four generations of gt rs including the new for 2008 v35 the first iteration of the car to be sold in the u s paying special attention to technical aspects such as the all wheel steering and drive systems the chassis and the legendary six cylinder twin turbocharged engine his work explains the gt r to those who already admire the car and to those who wonder what the excitement is all about

nissan z is the officially licensed 50th anniversary history of nissan s legendary z family of sports cars

the author has captured in words and lavish illustrations many of his own that have never been seen before the stories of over one hundred men and women whose personal motor racing journeys paved the way to establish and explode this sport they did so both locally and overseas showing that aussies were as good as the world s best when it came to not only skill behind the wheel but also in the design and manufacture of the fastest cars and in organising events of the highest level and regard most of these names are extremely well known by all aussie petrol heads household names admired around any backyard barbecue just the mention of their names brings nods of respect but you will additionally read accounts of some very significant lives and racing achievements you previously knew nothing about and some are quite simply amazing there s our first woman to race commercially overseas just how she got there is incredible then you share the exploits of an illegal inter capital record holder who went to new zealand to break the land speed record the farmers whose sons and grandsons became racing dynasties and the home grown mechanics and car builders whose designs obliterated all competition strap yourself in and hang on it s gonna be a bloody wild ride

where was this book when i was a new nurse just learning the ropes of labor and delivery this is a true gem of a book a must for any new grad going into labor and delivery i recommend this book for every labor and delivery floor cindy curtis rnc ibclc cce former director the family birth center culpeper

regional hospital lignum va the best one stop reference book for the experienced and noviced labor and delivery rn finally an excellent labor and delivery book by rn s for rn s garla dewall rnc presbyterian hospital in the family birthing center albuquerque new mexico labor and delivery nursing requires critical thinking constant caring teamwork and communication as the first line of defense to prevent injury labor and delivery nurses take on some of the most difficult and trying challenges in the delivery room murray and huelsmann present this clinically oriented guide to help labor and delivery nurses make wise decisions in the delivery room the authors provide a wealth of insight on how to maximize both maternal and fetal outcomes this book provides authoritative guidance on intervention options creation of patient centered plans of care and improved communication with other members of the obstetrics team special features explains the stages and phases of delivery pain management patient assessment and much more features references relevant graphics skills checklists and review questions at the end of each section useful for rns new to the field seasoned practitioners looking for updated methods and data and nurses preparing for certification and licensure with this book nurses will gain the confidence and competence to approach labor and delivery challenges with care and efficiency

there has been a skyline in nissan s line up since 1966 after many changes the skyline found its sporting feet again in 1981 and 1986 the r32 skyline gt r name was revived in 1989 and has hardly been altered since it has been very successful and has dominated group a touring car racing worldwide this is a book of contemporary road and comparison tests new model introductions driver s impressions long term report buying second hand track tests
