lively account examines the nature philosophy and mythology of the zodiac in ancient mexico tibet

china india greece rome babylon and egypt anecdotes and illustrations enhance a text that includes fascinating material on zodiacal gems and birthstones an absorbing well researched study that will fascinate students scholars new agers and anyone interested in the zodiac s colorful history

this survey of how astrology works was not written specifically for astrologers its purpose is to formulate a materialist theory of what is empirically demonstrated in astrology our relationship with the cosmos starting with the most feeble part of the astrological framework annemieke bosch presents an explanation for the manifestation of the zodiac signs through the year this cycle appears to be correlated with earth s angular movement towards and away from the supermassive black hole in the center of our milky way galaxy drawing on the latest scientific insights of quantum physics and consciousness research she then discusses the mechanism underpinning the astrological practice and makes it plausible that our unconscious minds are able to obtain information from quantum entanglement our coherence seems to cause us to collectively create our reality through a process of controlled prediction and automatic adaptation to the cosmic environment the phenomenon of consciousness instead of arising from individual isolated brains could be the result of this connectedness

although countless volumes have been written upon the subject of astrology this is the very book which states the simple principles of the zodiac in simple terms making the entire matter clear to the average understanding this volume indicates the location characteristics and influence of each sign of the zodiac giving the days which each sign governs and the gems and astral colors associated with each the diseases of the body how to cure them and the faults of character incidental to the different domains the methods of growth for each human being the domains from which companions husbands and wives should be selected the characteristics of children born in different domains and the conditions to be observed in their care and education the personal ability and talent of the individual with reference to domestic social and business success

each of the 360 degrees of the zodiac has its own unique symbol and meaning these symbols are often applied to the degrees of the ascendant sun moon and ruling planet of the natal horoscope this book comprising two complete sets was first published in 1898 and has long been ranked as among the finest on the subject

in the 1960s a full blown maniac murdered his way onto the front pages of the california newspapers in his bloodstained letters and phone calls he proudly commemorated his murderous accomplishments and provided clues to his identity he called himself the zodiac based on the original police reports and new revealing interviews this book delves into the mind methods and madness of america's jack the ripper
