this essential guide takes the guesswork out of grammar by presenting every major

grammatical principle and minor grammatical point tested on the gmat don't be caught relying only on your ear master the rules for correcting every gmat sentence

powerscore test preparation back cover

so how do you manage your gmat verbal prep especially in the sentence correction section where grammar plays a much bigger part the best and the most fail proof way is to get a thorough background on the specific elements of grammar tested in the gmat you need to watch out though there are many english grammar books in the market that will teach you much more than you need for the gmat and you can spend weeks studying something that is unlikely to have much effect on your verbal score what you need is a concise book that clearly outlines the topics that are tested in the gmat and explains these in detail with real examples from the gmat

many people have difficulty in learning english especially english grammar for that reason this supplement book was created to help non native english speakers better understand and remember not only the basics of the english language but also everything that the gmat requires in its gmat test the guide covers subject verb agreement nouns pronouns choosing the correct form of a verb modifiers parallelism and idioms this book will help you to discover these contents subjects and verbs in general subject and verb must match in number nouns and pronouns must also match in number choosing the correct form of the verb modifiers buy this book now to be closer to the success in your gmat r test

the turbocharge your gmat series is the result of this arduous effort of manhattan review which offers gmat weekend crash courses gmat one week intensive courses gmat weekday and weekend long courses gmat online workshops free seminars and private gmat tutoring to students in the us uk continental europe asia and the rest of the world its website has a wealth of free information and promotions including free offers to world mba tour fairs free mba panel discussions free gmat mba admissions workshops free downloads mba and gmat essentials free infocus newsletters free interview articles and more its website manhattanreview.com is frequently updated with free resources if you reside outside of the us please refer to the international location section for your local content manhattan review's origin can be traced directly to an ivy league mba classroom in 1999 while lecturing on

advanced quantitative subjects to mbas at columbia business school in new york city prof dr joern meissner was asked by his students to assist their friends who were frustrated with conventional gmat preparation options he started to create original lectures that focused on presenting the gmat content in a coherent and concise manner rather than a download of voluminous basic knowledge interspersed with so called tricks the new approach immediately proved highly popular with gmat students inspiring the birth of manhattan review over the past 15 years manhattan review has grown into a multi national firm focusing on gmat gre lsat sat and toefl test prep and tutoring along with business school graduate school and college admissions consulting application advisory and essay editing services the highly acclaimed manhattan review turbocharge your gmat preparation materials include about 600 pages of well illustrated and professionally presented strategies and originally written problems for both the verbal section and quantitative section 200 pages of detailed solutions and more than 300 pages of internally developed quantitative glossary and verbal vocabulary list with detailed definitions related words and sentence examples the detailed breakdown of exclusive practice problems per category is 40 reading comprehension passages 60 critical reasoning questions 250 sentence correction questions and 300 quantitative questions

the sentence correction guide takes the guesswork out of grammar by presenting every major grammatical principle and minor grammatical point tested on the gmat don't be caught relying only on your ear master the rules for correcting every gmat sentence each chapter builds comprehensive content understanding by providing rules strategies and in depth examples of how the gmat tests a given topic and how you can respond accurately and quickly the guide contains a total of 187 in action problems of increasing difficulty with detailed answer explanations the content of the book is aligned to the latest official guides from gmac 12th edition purchase of this book includes one year of access to manhattan gmat's online practice exams and sentence correction question bank

gmat sentence correction guide is an exciting new addition to manhattan review's turbocharge your gmat series this guide is an excerpt from our comprehensive verbal study guide and verbal study companion dedicated to sentence correction your purchase includes a promotional offer of unlimited access to manhattan review's online recording library these

insightful study guides are designed for gmat test takers at all levels to improve their gmat scores within a short time period they prove to be particularly helpful for students who are aiming for 700 gmat scores

the official guide companion for sentence correction is designed to be used in conjunction with the official guide for gmat review 2015 and 13th editions written by manhattan gmat s 99th percentile instructors this book breaks down and explains each of the 140 sentence correction problems contained in the gmat official guide in a clear and simple manner accessible to students of all ability levels the explanations in this book focus in on the solving process and work to emphasize the connection between sentence meaning structure and correct grammar furthermore all explanations align with the methodology and grammar rules taught in manhattan gmat s complete courses and provide a framework for answering any sentence correction questions you may see on the real test purchase of this book includes six months of online access to 6 full length computer adaptive practice exams and gmat navigator

this booklet is intended to teach how to reduce the error that occur in the sentence correction test for admission to foreign universities it also teaches us how to locate the various types of errors in sentences the basic rules of grammer have been explained briefly and systematically the examples and exercises given in this booklet will make you familiar with the different types of questions and provide you with sufficient practice to use the different techniques for answering each type of question there is also a practice test to evaluate your progress and make you perfect

the ultimate guide to gmat verbal grammar and sentence correction gmat grammar can be a daunting experience for the most fluent students leave alone for someone whose first language is not english in fact there are hundreds of brilliant students from the non english speaking world who easily score in the 99 percentile in gmat math but struggle desperately when it comes to gmat verbal even if you are comfortable with the english language you might struggle with the 700 type of questions where the gmat sentence correction section tests deeper understanding of grammar rather than just testing the standard rules that the commonly available guides provide however if you are not comfortable with the nuances of english grammar the common list of standard rules will not make much sense anyways what

you need is a thorough understanding of gmat grammar behind the sentence correction section unfortunately this is easier said than done it can take months if not years to get a good grasp of the grammar fundamentals the english speakers study the language for more than 10 years starting from primary school and still struggle with the sc section of the gmat so how do you manage your gmat verbal prep especially in the sentence correction section where grammar plays a much bigger part than in the gmat reading comprehension or the gmat critical reasoning section the best and the most fail proof way is to get a thorough background on the specific elements of grammar tested in the gmat you need to watch out though there are many english grammar books in the market that will teach you much more than you need for the gmat and you can spend weeks studying something that is unlikely to have much effect on your verbal score what you need is a concise book that clearly outlines the topics that are tested in the gmat and explains these in detail with real examples from the gmat this is where the ultimate guide to gmat verbal grammar sentence correction comes in some of the unique features of this book are it gives you a concise background of the english language without going into details that you do not require for the gmat sentence correction section it explains with multiple examples the essential concepts and structures of gmat grammar it takes you through the common concepts tested on the gmat sentence correction section and provides detailed background so that these concepts are easier to absorb provides a comprehensive list of gmat idioms over 200 idioms tested in the gmat over 150 unique sentence correction questions with explanatory answers why should you buy this guide if you struggle with the answer choices in the gmat sentence correction section even after going through the standard books if you have tried to go through standard grammar books and given up or if you simply need a good grasp of the english grammar relevant for sentence correction then this is what you need one of the most important parameter that the admissions committee looks for especially in case of non native speakers is their english score your verbal score doesn t have to be in the nineties but the closer the better it has to be high enough to convince them that you deserve that offer letter this guide has been especially written from real life experience teaching the nuances of sentence correction to hundreds of students it includes key grammar concepts necessary to crack the sentence correction section and scores of examples to illustrate these concepts
