naomi novik's beloved temeraire series a brilliant combination of fantasy and history that reimagines the napoleonic wars as fought with the aid of intelligent dragons is a twenty first century classic

this book illuminates the racialized nature of twenty first century western popular culture by exploring how discourses of race circulate in the fantasy genre it examines not only major texts in the genre but also the impact of franchises industry editorial and authorial practices and fan engagements on race and representation approaching fantasy as a significant element of popular culture it visits the struggles over race racism and white privilege that are enacted within creative works across media and the communities which revolve around them while scholars of science fiction have explored the genre's racialized constructs of possible futures this book is the first examination of fantasy to take up the topic of race in depth the book's interdisciplinary approach drawing on literary cultural fan and whiteness studies offers a cultural history of the anxieties which haunt western popular culture in a century eager to declare itself post race the beginnings of the fantasy genre's habits of whiteness in the twentieth century are examined with an exploration of the continuing impact of older problematic works through franchising adaptation and imitation young also discusses the major twenty first century sub genres which both re use and subvert fantasy conventions the final chapter explores debates and anti racist praxis in authorial and fan communities with its multi pronged approach and innovative methodology this book is an important and original contribution to studies of race fantasy and twenty first century popular culture

the re turn to history in romantic studies in the 1980s marked the beginning of a critical orthodoxy that continues to condition if not define our sense of the romantic period twenty five years on romantic new historicism's revisionary engagements have played a central role in the realignment of the field and in the

expansion of the romantic canon in this major new collection of eleven essays critics reflect on new historicism s inheritance its achievements and its limitations integrating a self reflexive engagement with new historicism s history and detailed attention to a range of romantic lives and literary texts the collection offers a close up view of romanticism s hybrid present and a dynamic vision of its future

vols for 1898 1968 include a directory of publishers

this book provides summaries and analyses of more than 250 novels and nearly 30 films and examines the extent to which they accurately reflect the history mores and manners of the period and the extent to which they reveal the ideas and attitudes of their authors and of the periods in which they were written particular emphasis is placed on the nature and importance of the war at sea for the british and on the role of famous naval officers such as nelson pellew duncan smith and cochrane in the defeat of napoleon

one of the most eminent historians of our age investigates the extraordinary success of five small maritime states andrew lambert author of the challenge britain against america in the naval war of 1812 winner of the prestigious anderson medal turns his attention to athens carthage venice the dutch republic and britain examining how their identities as seapowers informed their actions and enabled them to achieve success disproportionate to their size lambert demonstrates how creating maritime identities made these states more dynamic open and inclusive than their lumbering continental rivals only when they forgot this aspect of their identity did these nations begin to decline recognizing that the united states and china are modern naval powers rather than seapowers is essential to understanding current affairs as well as the long term trends in world history this volume is a highly original big think analysis of five states whose success and eventual failure is a subject of enduring interest by a scholar at the top of his game
