this book tells an engaging story of one man's self discovery and his adventures living his life's dream. It targets three types of readers: the author shares life skills that have led him to a fulfilling and meaningful life; it caters to both the blue water sailor providing insights from seventy years of sailing experience and the armchair sailor eager to imagine the experience of sailing a boat across oceans to distant lands; the life skills that the author has learned and shared have led to a life rich in challenge, fulfillment and adventure. Anyone who wishes to shape their desired life can comprehend and utilize these skills effectively; these invaluable skills have saved the author's life several times and may be the most significant gift readers receive from this book. Experienced sailors will gain detailed knowledge of how to avoid common emergencies at sea, discover lesser known boat maintenance tips and develop a strategy for surviving a heart attack far from help at sea for several days. The armchair sailor will find answers to many questions regarding long distance ocean travel and visits to extraordinary islands like Bora Bora, Tahiti and the Tuamotu Archipelago in French Polynesia. This voyage allows readers to vicariously explore islands such as Fiji, Tonga and Samoa among others. Whether you're a sailing enthusiast, a medical professional or simply looking for an inspiring read, this book is a treasure trove of wisdom and adventure.
