introduction to recreation and leisure second edition is a textbook designed for an initial undergraduate course in a recreation and leisure program with its 21st century views of recreation and leisure services it incorporates indicators for future directions in the field and presents international perspectives as well as career opportunities in recreation and leisure a new web resource is included

introduction to recreation and leisure third edition presents perspectives from 52 leading experts from around the world it delves into foundational concepts delivery systems and programming services offers an array of ancillaries and helps students make informed career choices

James Henslin's fourth edition of this significant book has been thoroughly revised and updated to include twenty new articles focused on the structure and development of marriage in the modern day society. Marriage and family in a changing society aims to follow the development of the marital life cycle from romance and dating to marriage and its alternatives to parenting and often divorce, remarriage, and widowhood. These highly readable and deeply relevant readings allow students to see the events unfolding in their own lives from an illuminating sociological perspective.

This book presents techniques and guided practice that will enable readers to accomplish reading tasks within an efficient and realistic framework. New chapters on visuals teach students how to read and interpret visuals and graphics, maps, tables, pie charts, diagrams, etc., and how to use internet, electronic resources, and multimedia. Study aids, more than 75 new exercises, are included.

Academic Reading, Third Edition, provides a complete review of textbook reading strategies and vocabulary skills and teaches students how to adapt and apply those skills to the unique features and requirements of the major academic disciplines. Book jacket title summary field provided by Blackwell North America Inc. All rights reserved.

The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political, and economic liberty to create a resurgence of a sociological agenda. Social problems in a free society offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory.

Introduction to Recreation and Leisure, Fourth Edition, presents a comprehensive view of the multifaceted field of recreation and leisure. It delves into foundational concepts, delivery systems, and programming services. Over 40 leading experts from around the globe offer their diverse perspectives.

A World List of Books in the English Language

For one- or two-semester courses on police-community relations, police and society, policing within American society, or issues in policing in two- and four-year and proprietary schools. Substantive yet accessible, this overview of police-community relations focuses on the importance of and strategies for positive interaction in dealing with the many turbulent issues which affect crime control in America today. It addresses a challenge that all criminal justice practitioners, police, courts, and corrections must confront: the development and maintenance of meaningful relationships with one another and with the citizens they serve.

Guide to College Reading focuses on the key areas of reading comprehension, vocabulary improvement, and textbook reading. Critical thinking and metacognition are hallmarks of the

mcwhorter series critical thinking is incorporated throughout the book in instruction exercises and readings metacognitive activities include teaching readers how to evaluate their own learning styles to increase their ability to read college level material successfully exercises that ask readers to respond by writing sentences and paragraphs after reading help make the critical connection between these two activities numerous diagrams and drawings help readers visualize how reading material can be organized high interest photographs and artwork appeal to the visual learner chapter ending readings give immediate practice for chapter skills and aid in transferring these skills to actual reading situations learning style tips reinforce material introduced earlier throughout the book and teach readers how to apply knowledge of their individual learning styles to learn new skills for those interested in developing their reading skills at the 6th 9th grade level
