donald macleod is able to explain complex thoughts with simplicity and clarity this is his

contribution to the debate on christology

this book contains a systematic description of the theologies of colin e gunton 1941 2003 and oswald bayer b 1939 their use of the doctrine of creation in systematic theology has remarkable consequences for late modern theological ethics this book explores those consequences from the example of the theological doctrine of marriage the author also contributes to the ecumenical debate by building on the neo calvinist theological heritage

while much dialogue has focused on aspects of colin gunton s trinitarian theology there has been a need for a full scale study of gunton s doctrine of creation that locates the significance of his understanding of creation within the wider spectrum of his theology problem and promise demonstrates how gunton s doctrine of creation cannot be read in abstraction from his trinitarian theology and argues that creation remains a central feature in gunton s writing that holds lasting importance for understanding ethical and moral aspects of gunton s theology william b whitney establishes how this trinitarian account of creation goes beyond offering a theological description of the created realm and also provides the basis for understanding human involvement in creation through the enterprises of culture

understanding the person of christ affects our understanding of all christian theology all ten contributors to this volume share a commitment to the orthodox theological tradition in christology as expressed in the creedal heritage of the christian church and seek to explicate the continuing coherence and importance of that theological tradition the book s ten essays cover such topics as prolegomena to christology the incarnation the person and nature of christ the communicatio idiomatum the baptism of christ the redemptive work of christ the ascended christ and new testament christology and offers critical engagements with such diverse theologians as john calvin charles williams and john zizioulas the contributors all leading academics include john webster richard burridge robert jenson stephen holmes douglas farrow brian horne murray douglas knight sandra fach christoph schwoebel

this volume offers a landmark analysis of the trinitarian impulses in contemporary worship music used by the pentecostal assemblies of canada paoc it considers whether the lyrics from the most commonly

used paoc songs are consistent with this evangelical group s trinitarian statement of faith colin gunton s trinitarian theology provides the theological rationale for eight original and qualitative content analyses of these songs three major areas are considered the doctrine of god human personhood and cosmology making use of gunton s notions of relationality particularity and perichoresis along with several key pentecostal scholars this book serves as a helpful descriptive and prescriptive theological resource for the dynamic practice of a trinitarian faith

this book demonstrates the promise of christology for developing scottish theologian t f torrance s theological anthropology t f torrance s christological anthropology discerning humanity in christ engages with several key themes in torrance s theological anthropology and considers how each one of these topics anthropological method the metaphysics of human nature the imago dei personhood vocation human destiny can be further developed in light of christ christopher woznicki argues that christology not only holds promise for the task of developing torrance s insights on humanity but also for developing a constructive account of humanity the volume is valuable reading for scholars of t f torrance s theology and for those who are interested in the role of christology in theological anthropology

twenty nine in all these letters cover all but three of cyril s years as a bishop the first twelve were published in 2009 fathers of the church 118 the present volume completes the set festal letters were used in alexandria primarily to announce the beginning of lent and the date of easter they also served a catechetical purpose however allowing the patriarch an annual opportunity to write pastorally not just about issues facing the entire see but also about the theological issues of the day thus in these letters we catch a glimpse of cyril the pastor writing about complex theology in an uncomplicated way these letters also illuminate other realities of the ancient church in alexandria especially the relationship with the jewish community and the rising influence of asceticism

this book examines the relationship between the biblical trajectory of wisdom christology and the christologies of karl rahner and norman pittenger and explores the contribution that the wisdom tradition can make to contemporary interpretations of jesus christ contents include the origins of wisdom christology the christology of karl rahner the christology of norman pittenger wisdom

christology and contemporary theology also includes an index of biblical and ancient works

this remarkable and intriguing work is the only single author and introductory treatment of colin gunton s significant theology currently available tracing the key theological themes major contributions and continuing criticisms of his work the book highlights throughout the trinity and the concept of humanity and mediation as critical to understanding gunton s theology a chief aim of the book is to recommend gunton to an evangelical audience while providing a general introduction and overview to all who are unfamiliar with his work

this book examines the major christological elements in the theologies of boff and sobrino the author analyzes the modern theological roots of liberation in latin america from both a historical and descriptive perspective contents preface introduction the second vatican council the medellin conference the method of liberation theology jesus christ the christic center of reality the christology of leonardo boff jesus christ the way of the son the christology of jon sobrino latin american contributions to contemporary christology liberation christology and its critics

this book examines the past and present of the english parish system and proposes a new way of structuring the church in england rooted in the anglo saxon world the english parish is in a state of crisis ideally suited to the static agricultural hierarchical society in which it developed it has become a severe impediment to the church s work today it needs to change in this fascinating and insightful book nick spencer explores the parish s past present and future he shows that rather than being synonymous with english christianity the parish was a comparatively late arrival on the scene and one whose main roots were economic and social rather than ecclesiastical he goes on to explain why the parish is now singularly inappropriate for modern ministry before proposing a genuine alternative based on the system of anglo saxon minster churches out of which parishes grew
