how is the simpsons a satirical artwork engaged with important social political and cultural issues in time for the twenty fifth anniversary henry offers the first comprehensive understanding of the show as a satire and explores the ways in which the simpsons participates in the so called culture war debates taking place in american society

bringing together a highly diverse body of scholars this comprehensive research handbook explores recent developments at the intersection of international law sociology and social theory it showcases a wide range of methodologies and approaches including those inspired by traditional social thought as well as less familiar literature including computational linguistics performance theory and economic sociology the research handbook highlights anew the potential contribution of sociological methods and theories to the study of international law and illustrates their use in the examination of contemporary problems of practical interest to international lawyers

international legal rules are profoundly embedded in diverse social factors and processes international law thus often reflects and affects societal factors nationally and internationally this book exposes some central tenets of the sociological perspective and presents a sociological analysis of significant topics in current international law

a reader friendly overview of leading theoretical approaches to international law for students scholars and practitioners

interpersonal relationships are possible for humans because we are created in the image of a trinitarian god but if the trinity is our model for relationships why is the human condition rife with pain and evil how are we to think correctly about fallen human relationships and our models for understanding them redeeming sociology advocates a biblically informed model for human relationships relationships rooted in the trinitarian character of god his governance of the world and his redemption accomplished in christ poythress examines how the breaking of relationships through sin leads to strife murder and oppression among human beings and sets cultures against one another and he shows how these broken relationships are restored through the outworking of redemption in christ though typical sociological models for interpersonal relationships may offer some valuable insights they are handicapped by a fundamental misunderstanding of humanity the biblical model that poythress presents correctly diagnoses the problem of human relationships so it can likewise prescribe a biblical solution that infuses new meaning and power into how we relate to others made in the image of god

seeing sociology in your everyday life with a complete theoretical framework and a global perspective society the basics 13 e offers students an accessible and relevant introduction to sociology john macionis author of the best selling introductory sociology franchise over the last three decades empowers students to see the world around them through a sociological lens helping them to better understand their own lives this informative engaging and entertaining title will change the way readers see the world and open the door to many new opportunities mysoclab is an integral part of the macionis learning program engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens with mysoclab students can develop critical thinking skills through writing explore real world data through the new social explorer and watch the latest entries in the core concept video series society the basics thirteenth edition is also available via revel an immersive learning experience designed for the way today s students read think and learn learn more
