detailed summaries of great literature

the seduction of pessimism in the novel eros futility and the quarrel with philosophy explores the novel as a response to the platonic myth that narrates the rift at the core of our being eros is supposedly the consolation for this rift but the history of the novel documents its expression as one of frustrated desires neuroses anxieties and cosmic doom as if repeating the trauma from that original split in plato a split that also divides philosophy from literature the novel treats eros as a site of loss and grief from the medieval romances to goethe emily bront  proust mann woolf d h lawrence and nabokov the pessimism that emerges from this eros tells us something fundamental about who we are something that only the novel can say at a time when both education and leisure are increasingly ignoring the novel's imperative to sit with ambiguity complexity and contingency and as we are hurtling toward a bleak future of climate catastrophe and political instability the

novel is one of the last bastions of humanity even as it is quickly being eroded

this volume explores academic households in early modern c sixteenth to eighteenth century northern europe examining changing dynamics of family and gender during the middle ages christian scholars were expected to spend their lives unwed and instead focus on educating the young however a gradual easing of prohibitions against the marriage of scholars began in different areas of europe in the late fourteenth century by the end of the sixteenth century a great number of professors were men with families and establishing their own households this was especially the case in the german speaking protestant areas of europe and the swedish realm from the first half of the seventeenth century the contributors of this volume concentrate on universities that took on the new idealised understanding of professors and other members of academic communities as married men they analyse how professors and other members of the academic communities viewed family and household what academic family life was like and how the members of the academic community utilised family and the household for academic self fashioning and building networks furthermore they pay special attention to the wives and widows of professors and other academics and discuss the agency of these women this book is an excellent resource for students and professional readers alike who are interested in the histories of early modern universities families and gender

kierkegaard is often praised for his poetic writing style throughout his works especially his pseudonymous ones he often breaks from philosophical prose and instead uses extended metaphors fairy tales parables and allegories this book which is the first that directly addresses kierkegaard s parables argues that they help the reader undergo transformative change it asks why kierkegaard uses parables in a broad sense how they function as a form of indirect communication why kierkegaard must remain secretive about the purpose of the parables and how this secrecy plays an important role in kierkegaard s authorship
