as the political landscape of europe transforms so too does the field of minority issues new
areas of focus encompass topics as varied as populism and media representation
anthropological insights and intersectional feminist considerations education in human rights
and participatory mechanisms and the changing categories and roles of minority
communities as important actors in a variety of forums volume 2 of minority issues in europe
reflects a growing range of disciplinary approaches to the field and a fresh outlook on the
issues facing europe s diverse communities bringing together research from experienced
experts and young researchers this book aims to equip students with critical and considered
insights to some of the most pressing questions in minority studies today

the second european edition of services marketing integrating customer focus across the
firm by wilson zeithaml bitner and gremler uniquely focuses on the development of customer
relationships through quality service reflecting the increasing importance of the service

economy services marketing is the only text that put the customer s experience of services at the centre of its approach the core theories concepts and frameworks are retained and specifically the gaps model a popular feature of the book the text moves from the foundations of services marketing before introducing the gaps model and demonstrating its application to services marketing in the second edition the book takes on more european and international contexts to reflect the needs of courses lecturers and students the second edition builds on the wealth of european and international examples cases and research in the first edition offering more integration of european content it has also be fully updated with the latest research to ensure that it continues to be seen as the text covering the very latest services marketing thinking in addition the cases section has been thoroughly examined and revised to offer a range of new case studies with a european and global focus the online resources have also been fully revised and updated providing an excellent package of support for lecturers and students
