effective communication with the african society in the field of missions church planting and social development work has been and continues to be a great challenge particularly to people from western cultural and language orientation africans are a we rather than i and a depended on rather than independent of society the worldview of a traditional african in terms of society relationships and communication is communal certainly the african perception of communalism affects how they communicate with the people

of different cultural orientation africa has several cultures and people differ in their communication depending on their cultural orientation however there are universal african cultures that act as a framework for understanding key aspects of communication with africans for successful missions church planting and social development work this book therefore provides a strategy of understanding communication with the african society the discussions in this book provide readers with different cultural orientations unique perception of the african society as s he may be planning to communicate with the african society for missions church planting and social development work even doing humanitarian ministry in african society although literacy levels have improved tremendously in most african countries most of africa is not a reading society it is imperative to understand that most africans still communicate orally and are not time conscious hence effective communication in african societies ought to be based on storytelling rather than literature distribution although this is in transition in fact africans are oratory and good listeners thus this book provides an understanding to people of different cultural orientations when they plan to communicate with the people in africa

this best selling comprehensive text shares the excitement of sociology with the acclaimed down to earth approach that highlights the sociology of everyday life the 8th edition of this highly regarded text retains all the features that have made previous editions so successful the author has a unique ability to engage students without sacrificing content or talking down to them with wit personal reflection and illuminating examples henslin shares his passion for sociology with his readers like no other author of an introductory text can

invitation to the sociology of international law aims to cast light on the under explored sociological dimension of international law the book emphasizes that international legal rules are profoundly embedded in diverse social factors and processes such as norms identity and collective memory thus international law often reflects and affects societal factors and processes in state societies and in the international community the book exposes some central tenets of the sociological perspective and its core theoretical approaches and presents a sociological analysis of several significant topics in present day international law the volume surveys subjects such as compliance international economic law legal fragmentation law making and the impartiality of adjudicators and reveals that a sociological analysis of international law enriches our understanding of social factors involved in the formation evolution and implementation of the law such analysis may not only explain past and present trends in international law but also bears significant implications for the interpretation of existing legal provisions as well as suggesting better legal mechanisms for coping with contemporary challenges in light of the underlying interrelationships between international law and other social factors this book invites international law specialists to analyse international legal rules in their wider social context and to

incorporate sociological tools into mainstream international law scholarship

study based on data collected in india
