the phenomenology of everyday life presents results deriving from a rigorous qualitative approach to the psychological study of everyday human activities and experiences this approach is grounded in the philosophical traditions of existentialism and phenomenology and employs dialogue as its major method of inquiry the reasons for these choices are not arbitrary all derive from the view that a proper study of human events must be framed in terms of a philosophy explicitly developed to encompass human activities in addition such events can properly be investigated only on the basis of a method sensitive enough to articulate the nuances of human experience and reflection the purpose of the present work is not to replace scientific observation with humanistic analysis but to provide an additional perspective on significant human questions the phenomenology of everyday life should be of interest to anyone concerned with obtaining a clear and comprehensive description of someone else's experience this includes students and professionals concerned with clinical or social psychology sociology anthropology social work philosophy nursing and education also included are individuals involved in research and practice in business marketing architecture and law

patterns of everyday life deals with fundamental aspects of the material life of islamic societies in the formative period three broad sections comprise the scope of the book the first on housing the second on textiles and clothing and the final one on food and drink in each section studies based upon both archaeological and literary sources are included the aim of the collection is to highlight features of continuity between the pre islamic cultures of the middle east and those other aspects which were introduced as a consequence of the development and spread of the islamic religious tradition the editor's introduction to the volume reviews the developments and current trends in

each area and notes the problems in constructing knowledge of the material civilisation of the early islamic period

fusing audience research and ethnography the book presents a compelling account of women s changing lives and identities in relation to the impact of the most popular media culture in everyday life television within the historically specific social conditions of korean modernity youna kim analyzes how korean women of varying age and class group cope with the new environment of changing economical structure and social relations the book argues that television is an important resource for women stimulating them to research their own lives and identities youna kim reveals korean women as creative energetic and critical audiences in their responses to evolving modernity and the impact of the west based on original empirical research the book explores the hopes aspirations frustrations and dilemmas of korean women as they try to cope with life beyond traditional grounds going beyond the traditional anglo american view of media and culture this text will appeal to students and scholars of both korean area studies and media and communications studies

from popular culture to everyday life presents a critical exploration of the development of everyday life as an object of study in cultural analysis wherein john storey addresses the way in which everyday life is beginning to replace popular culture as a primary concept in cultural studies storey presents a range of different ways of thinking theoretically about the everyday from freudian and marxist approaches to chapters exploring topics such as consumption mediatization and phenomenological sociology the book concludes drawing from the previous nine chapters with notes towards a definition of what everyday life might look like as a pedagogic object of study in cultural studies this is an ideal introduction to the theories of everyday life for both undergraduate and postgraduate students of cultural studies communication studies and media studies

the ebook edition of this title is open access and freely available to read online filling a gap between classic discussions on everyday media use and recent studies of emergent technologies this book untangles how media become meaningful to us in the everyday connecting us to communities and publics

this interdisciplinary volume develops a distinctive new way of talking about environmental concerns in post industrial society

for mexican catholic women in the united states devotion to our lady of guadalupe la virgen is a necessary aspect of their cultural identity in this masterful ethnography mar a del socorro casta eda liles considers three generations of mexican origin women between the ages of 18 and 82 she examines the catholic beliefs the women inherited from their mothers and how these beliefs become the template from which they first learn to see themselves as people of faith she also offers a comprehensive analysis of how catholicism creates a culture in which mexican origin women learn how to be good girls in a manner that reduces their agency to rubble through the nexus of faith and lived experience these women develop a type of mexican catholic imagination that helps them challenge the sanctification of shame guilt and aguante endurance at all cost this imagination allows these women to transgress strict notions of what a good catholic woman should be while retaining life giving aspects of catholicism this transgression is most visible in their relationship to la virgen which is a fluid and deeply engaged process of self awareness in everyday life

henri lefebvre boredom and everyday life culls together the scattered fragments of henri lefebvre s 1901 1991 unrealized sociology of boredom in assembling these fragments sprinkled through lefebvre s vast oeuvre patrick gamsby constructs the core elements of lefebvre s latent theory of boredom themes of time modernity everyday space urban suburban and mass culture culture industry culture are explored throughout the book unveiling a concealed dialectical movement at work

with the experience of boredom in analyzing the dialectic of boredom gamsby argues that lefebvre s project of a critique of everyday life is key for making sense of the linkages between boredom and everyday life in the modern world

how will the covid 19 pandemic be remembered what did it mean to people how did it feel this book provides a compelling account of the pandemic as it was experienced in the uk everyday life in the covid 19 pandemic is a democratic history based on the 5 000 diaries collected by mass observation on 12 may 2020 it is a record of what many of these diarists wrote from a wide range of positions in a variety of voices and on a wealth of different subjects the book shines a light on their lives on the day in question their experiences during the first two months of the pandemic and their hopes and fears for the coming months and years the diaries capture much of everyday life in the pandemic for millions of people in the uk and beyond the activities events and rituals from funerals to working from home the sites and stages from shops to zoom the roles and categories from key workers to vulnerable groups the frames from luck to the new normal and the moods from anxiety to grief in these diaries we see what people did when the pandemic arrived in the uk but also what people thought and felt how they interpreted the pandemic experience and gave it meaning we see both how the nation responded and the nation who responded the book also includes two essays offering expert contextualisation of the diaries and discussion of their value for narrating the pandemic and presenting everyday life

the social research organization mass observation was founded in 1937 in this book the true extent and significance of mass observation s unique role in the formation of postwar britain s idea of itself through the examination of everyday life across the long twentieth century an excellent guide to mass observation and the period generally this scholarly work also provides surprising insights into the role social research has played in the development of policy and mass democracy
