is great teaching a gift that only a few of us are born with or is it a skill that can be learned in never work harder than your students robyn jackson makes a radical assertion any teacher can become a master teacher by developing a master teacher mindset the master teacher mindset can be achieved by rigorously applying seven principles to your teaching until they become your automatic response to students in the classroom the more you practice these principles the more you begin to think like a master teacher the seven principles are

1 start where your students are 2 know where your students are going 3 expect to get your students to their goal 4 support your students along the way 5 use feedback to help you and your students get better 6 focus on quality rather than quantity 7 never work harder than your students using these seven principles jackson shows you how to become a master teacher no matter where you are in your practices each chapter provides a detailed explanation of one of the mastery principles the steps you need to take to apply them to your own practice and suggestions for how you can begin practicing the principle in your classroom right away jackson offers stories from her own teaching practice as well as from other teachers she has helped to show you how each principle works teaching is a hard job but using jackson's principles will help you and your students reap the rich rewards of that hard work book jacket

the greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge as j i packer states where wise catechesis has flourished the church has flourished and where it has been neglected the church has floundered it is increasingly apparent that we are raising up generations of christians who often have little idea what they should believe and why they should believe it grounded in the faith takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith this new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church it presents individuals small groups and sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with christ it is a user friendly guide to growth in the christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the bible the value of prayer the guidance of god the trinity the uniqueness of christ and the attributes of god

things were different in the church jesus started we sing songs to jesus we pray to jesus but do we really know and understand what jesus preached before you say yes and move on consider these shocking facts most messages preached today have nothing to do with jesus core message christian universities that train pastors missionaries and priests dont have courses that teach what jesus taught and its been this way for hundreds of years the majority of believers in christ have little or no understanding of what jesus said or what he meant when he said it god is realigning his church with the message jesus preached and hes doing it to prepare us for jesus return get ready for a journey through the bible that

will help you challenge your christian experience and knowledge of jesus teachings learn the true heart of christs teachings as recorded in gods word discover the kingdom life jesus provided for exemplified and taught shed any belief barriers that have inhibited your spiritual life to this point embrace and renew a walk with god that is alive growing fresh and purposeful

now more than ever before pastors and ministers should make sure the word of god goes forth in a world that has lost its moral and spiritual way in america we are living on the edge when we go to the marketplaces schools churches outside activities we don t know if a mass shooting might take place we don t know what to expect in public places because violence and killings have become commonplace many of our youth are dying from drug poisoning gun shootings and suicide racial hatred is on the rise and kids are taking guns to school causing lockdowns and distress all around us is sorrow sadness and senselessness the only hope light and transformation is god s word and its application these thematically arranged bible lessons can help in the process of humanity finding their way back to god through jesus christ

i do not hope to convince you so that you will believe that is to be left to the holy spirit i write to you because you share the faith by which i live i write so that you may share my joy in seeking to understand better this truth that our hearts believe and love in knowing our faith justo gonzález introduces the christian faith in direct contemporary language that does not assume prior knowledge while recognizing the existence of various denomi nations and theological positions gonzález focuses on the core faith of the christian church through the centuries covering all the key topics revelation god jesus christ the spirit the church christian hope and others knowing our faith is an ideal resource for both individual reading and small group study with questions for discussion included at the end of each short chapter this accessible resource will help readers understand the christian faith better and more importantly live it better

this catechism is divided into three parts the first part treats of faith the second of morals the third of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less

than an abstract of our lord's teaching and may be called a guide book for the christian on the road to heaven preface

there are many devotional books available containing brief daily inspirations that benefit all who read them this book is different in two respects the first is obvious it contains two readings per day 732 in all the second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others the messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging most of these writings were based on author michael j akers's teaching of adult bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the word of god

drawing from the latest scientific research as well as numerous illustrative case studies the faith factor offers convincing proof that religious practices can and do enhance the healing powers of medicine and nationally renowned physician dale a matthews offers a program any patient can follow to incorporate faith into their own healing dr matthews points out that encouraging an integration of religious beliefs and practices in medical settings can have important benefits for the entire medical community from patients and doctors to national health policy makers he shows how the national trend toward rediscovering religious values has led many patients to use prayer in conjunction with conventional treatment and that the results have already confirmed that faith and religious practice can be valuable medicine finally dr matthews helps readers explore the connection between faith and medicine in their own lives through methods of prayer community worship and study of scripture

when you have questions about your faith turn to explore your faith it provides concise biblical answers to 75 common questions about the christian faith this easy to understand guide to faith addresses topics from how can i know god exists and how can i figure out what god's will is to why do we have to keep praying for the same thing each entry also includes discussion questions that are great for further study explore your faith will encourage you to dig deeper into your faith and enhance your spiritual growth

niebuhr sought to appeal to the intellectual community by presenting an analysis of the human predicament that would resonate with their deepest insights on human life and destiny in his sermons in particular he tried to show that human hubris leads ineluctably to divine retribution and that our only hope is trust in the mercy and forbearance of the god

revealed in biblical history and preeminently in Jesus Christ from the foreword
