margaret goldsmith's *maria theresa of austria* is a compelling biography of one of europe's most remarkable and influential monarchs as the only female ruler of the habsburg empire maria theresa reigned from 1740 to 1780 navigating a male dominated political landscape to transform her realm into a modernized and centralized power goldsmith delves into the life and reign of this formidable empress from her unexpected rise to power following her father's death to her determined efforts to defend and expand her empire during a period of relentless conflict including the war of austrian succession the book explores maria theresa's political acumen administrative reforms and military strategies all of which solidified her legacy as one of europe's great enlightenment rulers beyond her political achievements goldsmith examines maria theresa's personal life including her devotion to her large family and her complex relationships with her husband francis i and her children most notably marie antoinette through rich detail and engaging storytelling goldsmith paints a nuanced portrait of a ruler who balanced the demands of empire with her roles as a wife and mother maria theresa of austria offers a fascinating look at a monarch whose vision and determination left an indelible mark on european history this biography is essential reading for anyone interested in the habsburg dynasty the enlightenment era or the extraordinary lives of women who shaped the course of history

when edward crankshaw's *maria theresa* was published in 1969 it was the first full length study of maria theresa to be written in english for sixty years called to the throne in 1740 at the age of twenty three maria theresa was wholly unprepared for the events that were to confront her and trusting in the honour of her fellow monarchs the young queen found herself with a virtually nonexistent army at the head of a bankrupt and disaffected empire an empire shortly to be set upon by half europe intent on shattering the habsburg power for ever married to an amiable but ineffectual husband whom she adored surrounded by shortsighted advisers senile to the point of decrepitude her only weapons were her charm her unbreakable will and her almost reckless courage with these and by her own immense exertions she first held her powerful enemies at bay then choosing new advisers with astonishing skill and discovering in herself a fund of commonsense amounting almost to genius she instituted wide reaching reforms which were to unify the empire's bewildering mixture of lands and peoples and bring it to the threshold of the revolutionary age with all this she remained a wife and a mother most touchingly so in her vast correspondence with her many children

a major new biography of maria theresa the formidable habsburg empress maria theresa was the single most powerful woman in eighteenth century europe at the age of just twenty three she succeeded to the habsburg domains only to find them contested by almost every power in europe over the next forty years she became a fierce leader and opponent as well as a devoted wife and mother to sixteen children in this engrossing biography richard bassett traces maria theresa s life and complex legacy drawing on hitherto unpublished sources bassett reveals her keen sense of moderation and tolerance innovative ideas on free trade and finance and studied reluctance to resort to policies of territorial expansion yet maria theresa s modernisation policies were not entirely progressive antisemitism and an enduring suspicion of protestantism greatly affected the lives of her subjects this is a gripping study of one of the world s most influential leaders revealing how maria theresa confounded gendered expectations and left a lasting mark on europe

biography of the key figure in the politics and wars of 18th century europe

justin vovks in destinys hands is the heartbreaking story of five children of austria s iconic empress maria theresa who watched as their royal worlds were ripped apart by tragedy and epic misfortunes these are the stories of joseph whose disastrous reign forced austria to the brink of civil war amalia the brazen and scandalous duchess who married a boy prince and died exiled and forgotten leopold maria theresa s unassuming second son who was the envy of europe until his tumultuous reign was cut tragically short maria carolina the very austrian queen of naples who ended her days fighting napoleon with her dying breath and marie antoinette the legendary teenage bride who was hated and reviled as queen of france and met her ultimate fate on the guillotine a testimony to her mother s vain ambition painstakingly researched and masterfully crafted in destinys hands brings to vivid life the world of the eighteenth century like never before readers will find many fascinating details in vovks in destinys hands vovk has shed light on these individuals and provided a much needed new work on maria theresa s progeny julia p gelardi author of the critically acclaimed *Born to Rule* five reigning consorts granddaughters of queen victoria and in triumphs wake royal mothers tragic daughters and the price they paid for glory be prepared for heart break smiles and most of all a roller coaster of enlightenment you will not be able to it down david antunes m a author of *napoleons way* how one little man changed the world

explores the intersections between monarchy gender and art through an investigation of the

visual and architectural culture of the eighteenth century habsburg empress maria theresa provided by publisher

this is a study of the musical activities of empress marie therese one of the most important patrons in the vienna of haydn and beethoven building on extensive archival research including many documents published here for the first time john a rice describes marie therese s activities as commissioner collector and performer of music and explores the rich and diverse musical culture that she fostered at court this book which will be of interest to musicologists historians of artistic patronage and taste and practitioners of women s studies elucidates this remarkable woman s relations with a host of professional musicians including haydn and argues that she played a significant and hitherto unsuspected role in the inception of one of the era s greatest masterpieces beethoven s fidelio other composers discussed include domenico cimarosa joseph eybler michael haydn johann simon mayr ferdinando paer antonio salieri joseph weigl and paul wranitzky
