explores through keywords how vasari s lives is designed to address a variety of compelling culturally determined ideas

finally an easy to learn approach to program java applets the book covers the swing graphics java 6 using java applets it starts with an introduction to computing then dives right into programming to give you a chance to create first simple drawing techniques are covered followed by image processing components layout managers design conditionals events loops debugging collections threads game programming internet applications security issues reading writing files on the server and email and how to host your applets on the internet this book is intended for beginners with a gentle approach to learning how to program allowing you to explore the concepts of programming through a hands on first approach instructors may contact the author to obtain access to lecture notes slides and other material for this course this edition has black and white inside website java frogandthefly com includes sample chapter a full color interior version is available at lulu com

in american culture the image of balancing work and family life is often represented in the glossy shot of the executive track woman balancing cell phone laptop and baby in weaving work and motherhood anita ilta garey focuses not on the corporate executives so frequently represented in american ads and magazines but rather on the women in jobs that typify the vast majority of women s employment in the united states a sociologist and work and family expert garey situates her research in the health service industry interviewing a racially and ethnically diverse group of women hospital workers clerical workers

janitorial workers nurses and nurse s aids garey analyzes what it means to be at once a mother who is employed and a worker with children within the limits of the resources available to them women integrate their identities as workers and their identities as mothers by valuing their relation to work while simultaneously preserving cultural norms about what it means to be a good mother some of these women work non day shifts in order to have the right blocks of time at home including for example a registered nurse who explains how working the night shift enables her to see her children off to school greet them when they return and attend school events in the way she feels good mothers should even if she finds little time for sleep moving beyond studies of women work and family in terms of structural incompatibilities garey challenges images of the exclusively work oriented or exclusively family oriented mother as women talk about their lives garey focuses on the meanings of motherhood and of work that underlie their strategies for integrating employment and motherhood she replaces notions of how women balance work and family with a better understanding of how women integrate negotiate and weave together their identities as both workers and mothers breaking new ground in the study of work and family weaving work and motherhood offers new insights for those interested in sociology gender and women s studies social policy child care social welfare and health care
